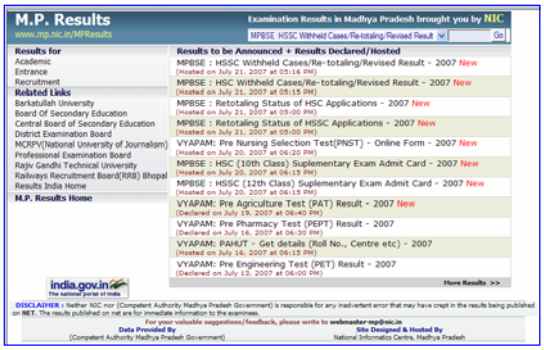
NIC, M.P State Centre, Bhopal has been in the forefront in disseminating results of various Boards & Universities. Admit Card details of candidates appearing for various competitive examinations were also made available on **Net.**



The details related to Internet dissemination of Results during **Year 2007** may be seen from the following.

1. **Board of Secondary Examination Madhya Pradesh (MPBSE): -** About **17 results** of Examinations, conducted by MPBSE, have been hosted on NIC Server, which covers results of 10th Class (HSC), 12th Class (HSSC), Vocational Course, Credit Scheme, Withheld Cases, Re-totaling Cases, etc.

2. **Board of Professional Examination Board (VYAPAM): -** About **17 results** of Recruitment/ Entrance Tests, conducted by VYAPAM, have been hosted on NIC Server, which covers results of Pre-Engineering Test, Pre-Medical Test, Pre-Agriculture Test, Pre-MCA Test, etc. **Admit Card Details** for PMT, PET, PAT, etc. were also disseminated on Internet, which were used by the candidates (who could not get the postal copy of Admit Card before examination date) for appearing in the concerned examination. Facility for submitting **online applications** for various Examinations was also extended to Professional Examination Board Madhya Pradesh (VYAPAM).

3. **Divisional Examination Boards: -** The examination of 5th & 8th Classes is being conducted by all the Districts through Divisional Examination Boards in the State under Serva Shiksha Abhiyan. The results of **5th & 8th Classes** (having 60,000 & 50,000 students respectively in each Districts) pertaining to **39 Districts** have been disseminated on Internet. It may be noted that these results were processed at the District Education Offices and system generated single data file forwarded to State Centre for Internet Dissemination of the results. Entire activity was done in closed coordination with NIC District Centres, District Education Offices & NIC State Centre in targeted manner.

4. **Barkatullah University, Bhopal: -** About **100 results** of various Courses, conducted by the University, have been hosted on NIC Server, which covers results of Under Graduate Classes, Post Graduate Classes, etc. **Admit Card Details** for various Examinations was also disseminated on Internet to facilitate candidates appearing in the Examination Hall (those, who could not get the postal copy of Admit Card before examination date).

NIC, MPSC has been rendering timely & efficient services to the Student Community by hosting the details of various Examination Results from time to time.
